New York Feb 28 1861.

Dear Debby.

I am pleased to learn
by your letter of yesterday
that as soon as I can find
time to read Carolines
letter I will return
it to you. A man
ought to have a good
memory who don't
let his wife have a
peep at our letters
Ha. — When you
again have occasion
to write to Lee pray

address you Letter
here not t. me. as
it says Tuck Thynne
to what is said to me.

We are all well.
I aint no hand
t. write about the
nation as I don't
care anything about
it. I am disgusted
with them all

Yours Truly
R. W. W.
